The Dalí Museum Anniversary Dinner Table Support & Patron Opportunities

Celebrating 45 Years of The Dalí — The Art and Our Future
Saturday, February 27, 2027 | 6pm at The Dalí Museum

Hosted by The Dalí Museum Board of Trustees, The Dalí Museum's Anniversary Dinner is an exclusive, one-night-only celebration that brings together philanthropists, community leaders and cultural advocates for an unforgettable dining experience unlike any other.

At the Anniversary Dinner, philanthropy takes center stage before guests ever arrive. Table sponsorships provide the primary support for the evening, allowing the experience to unfold as a celebration of art, community and impact. Each table is thoughtfully placed throughout the Museum's permanent collection galleries, creating an intimate, once-in-a-lifetime dining experience surrounded by Salvador Dalí's works spanning every stage of his artistic evolution.

Proceeds from the event directly support The Dalí's dynamic special exhibitions, expansive and inclusive educational programs and innovative initiatives that broaden access to the arts for learners of all ages. Your support helps create meaningful experiences that bridge art, science, technology and creativity, engaging audiences in ways that extend beyond the traditional museum visit. Together, we strengthen The Dalí's role as Tampa Bay's premier arts and cultural institution—one that inspires curiosity, fosters innovation and enriches our community for generations to come.

Join us for an extraordinary evening celebrating Dalí's legacy while investing in the future of creativity, education and cultural excellence.

With any questions please contact
